

Jan-07	Fernald Medical Monitoring Program	Sort order
	Physician Exam - Abdominal Exam Codes	1
		2
Code	Description	3
2200	abdominal fullness	4
2201	ascites	5
2202	markedly obese	6
2203	obese	7
2204	caput medusa	8
2205	slightly obese	9
2206	lipoma	10
2207	protrusion of abdomen distension	11
2233	non-tender lump, lower abdomen	12
4203	difficult exam, limited (by size)	13
		14
2210	well-healed incision	15
2211	well-healed RUQ incision	16
2212	well-healed LUQ incision	17
2213	well-healed RLQ incision	18
2214	well-healed LLQ incision	19
2215	well-healed umbilical incision	20
2216	well-healed naval incision	21
2217	well-healed lower midline incision	22
2218	appendectomy scar or McBurney scar	23
2219	splenectomy scar	24
2220	cholecystectomy scar	25
2221	skin graft removal scar	26
2222	hysterectomy scar	27
2223	inguinal scar	28
2224	(other) surgical scars	29
2225	striae	30
		31
2170	prominent rectus muscle	32
2230	mass (on abdominal wall)	33
2231	pulsatile abdominal mass	34
2232	diastasis (separation of the pubic symphysis)	35
2298	diastasis recti	36
2234	(pelvic) mass	37
2278	large penduculus	38
2296	nodular abdomen	39
4207	scaphoid abdomen	40
		41
2239	no rebound tenderness	42
2240	rebound tenderness	43
2241	RUQ tenderness	44
2242	RLQ tenderness	45
2243	LUQ tenderness	46
2244	LLQ tenderness	47
2253	costal margin tenderness	48
2245	peri-umbilical tenderness	49
2354	displaced umbilicus (vaginal polyp)	50

Code	Description	3
4204	redness around umbilicus	51
4205	redundent umbilical tissue, without hernia	52
2246	bladder area tenderness, lower midline tenderness	53
2247	(mid)-epigastric tenderness	54
2248	liver tenderness	55
		56
2249	tender over iliac crest	57
2250	(diffuse) tenderness	58
2251	left mid quadrilateral tenderness	59
2253	costal margin tenderness (see 2252)	60
4202	tenderness over kidney	61
		62
2260	enlarged liver	63
2261	enlarged spleen	64
2166	no palpable liver } DO NOT USE:	65
2167	no palpable spleen } USE 4208, 4209	66
2226	ileostomy	67
2262	colostomy	68
2298	urostomy	69
4206	liver edge palpable, but normal percussive span	70
		71
2263	(peri)-umbilical hernia	72
2297	umbical hernia	73
4200	ventral hernia	74
2169	epigastric hernia	75
		76
2264	kidney enlargement	77
4201	kidney not palpable	78
2267	palpable pelvic kidneys	79
		80
2255	dilated abdominal veins	81
2265	prominent aortic pulsation/ pulsatile aorta	82
2266	enlarged abdominal aorta, palable	83
		84
2168	full colon (soft flow cardiac murmur)	85
2268	palpable bowel loop	86
2270	loud bowel sounds/ increased	87
2271	soft bowel sounds/ decreased	88
2272	hyperactive bowel sounds	89
2273	friction rubs	90
2274	systolic bruits	91
2275	venous hum	92
2276	abdominal bruit	93
2277	femoral bruit	94
		95
2280	pain on (deep) palpation	96
2281	RUQ pain on deep palpation	97
2282	RLQ pain on deep palpation	98
2283	LUQ pain on deep palpation	99

Code	Description	3
2284	LLQ pain on deep palpation	100
		101
2287	markedly obese	102
		103
2291	peritoneal inflammation	104
2292	acute cholecystitis	105
2293	acute pancreatitis	106
2294	acute appendicitis	107
2295	acute diverticulitis	108
		109
2256	gravid (pregnant)	110
		111
2209	implanted defibrillator (tens)	112
2227	low lying liver	113
2208	esophageal reflux	114
2235	kidney stones	115
2236	splenectomy	116
2269	irregular bowel habits	117
2279	hypogastric tenderness	118
2285	pancreatitis	119
2254	gas, bloating	120
2228	abdominal aneurysm	121
2229	palable thrill	122
2237	umbilical fashion ring	123
2238	prominent rectus muscle	124
4208	no palpable liver	125
4209	no palpable spleen	126
4210	full colon (soft flow cardiac murmur)	127
4211	epigastric hernia (buldge)	128
2252	lower quadrant tenderness	129
2257	urostomy	130
2258	displaced umbilicus (vaginal polyp)	131
2259	tatoo	132
2299	inguinal hernia	133
		134
2289	Dyspepsia (upset stomach)	135
2208	Reflux S&S (GERD)	136
4335	Diarrhea	137
4212	Change in bowel habits	138
4213	Ulcer pain	139
4214	decreased urine stream	140
4215	constipation	141
		142
4216	umbilical discharge	143
4217	spastic colon	144
4218	abnoram abdominal exam	145
		146
4219	irritable bowel	147
4220	tympanic abdomen	148
4221	renal colic	149

Code	Description	3
4222	guarding	150
4223	hernia, unspecified	151
		152
4224	Hepatitis	153
4225	diverticulosis	154
4226	panniculitis (heart sounds transmitted)	155
4227	firm abdomen	156
4228	Morphine/ insulin pump	157
4229	globular abdomen (enlarged)	158
4230	Hiatal hernia (S & SX)	159
4231	Liver/ spleen are palable	160
4232	Flank pain	161
4233	fluid wave	162
4234	peritoneal catheter/ feeding tube	163
		164
4358	unable to perform exam	165
		166
2288	colitis (inflam. Colon)	167
2290	incisional hernia	168
