

Jan-07	Fernald Medical Monitoring Program	Sort Code
	Physician Exam - Lymph Node Exam Codes	
Code	Description	
		1
1700	enlarged, non-tender, right anterior chain nodes (ACN)	2
1701	enlarged, non-tender, left anterior chain nodes (ACN)	3
1702	enlarged, non-tender, right posterior chain nodes (PCN)	4
1703	enlarged, non-tender, left posterior chain nodes (PCN)	5
1704	enlarged, tender, right anterior chain nodes (ACN)	6
1705	enlarged, tender, left anterior chain nodes (ACN)	7
1706	enlarged, tender, right posterior chain nodes (PCN)	8
1707	enlarged, tender, left posterior chain nodes (PCN)	9
1746	shotty ACN	10
		11
1710	enlarged, non-tender, right axillary nodes	12
1711	enlarged, non-tender, left axillary nodes	13
1712	enlarged, tender, right axillary nodes	14
1713	enlarged, tender, left axillary nodes	15
1714	enlarged, non-tender bilateral axillary nodes	16
1715	enlarged, tender bilateral axillary nodes	17
1729	shotty axillary nodes	18
1742	lipoma, axilla	19
1749	axillary adenopathy	20
1754	axillary fullness	21
		22
1716	scarred inguinal nodes	23
1720	enlarged, non-tender, right inguinal nodes	24
1721	enlarged, non-tender, left inguinal nodes	25
1722	enlarged, tender, right inguinal nodes	26
1723	enlarged, tender, left inguinal nodes	27
1724	enlarged, non-tender, bilateral inguinal nodes	28
1725	enlarged, tender, bilateral inguinal nodes	29
1726	shotty inguinal nodes	30
1742	firm, mobile inguinal nodes	31
1744	inguinal adenopathy	32
		33
1709	old scarred cervical nodes	34
1727	shotty cervical nodes	35
1729	enlarged posterior cervical chain	36
1730	tender cervical node	37
1740	non-tender cervical nodes	38
1743	enlarged cervical nodes (adenopathy)	39
		40
1733	enlarged, submandibular nodule	41
1734	enlarged, non-tender submandibular node	42
1735	enlarged, tender submandibular node	43
1731	freely moveable submandibular node	44
1732	supraclavicular node enlarged and firm	45
1733	clavicular nodes	46
1736	supraclavicular node enlarged, freely moveable	47
		48

Code	Description	1
1780	thyroid nodule	49
1708	enlarged parotid gland	50
1718	enlarged epitroclear nodes	51
		52
1790	well healed incision	53
		54
1737	enlarged subauricular node	55
1739	enlarged non-tender postauricular node	56
		57
1728	occipital lymph node	58
1796	exam refused	59
1719	small left axillary node; non tender, mobile	60
1795	tonsillar node enlarged	61
1738	small right axillary node; non tender, mobile	62
1717	tender adenopathy	63
1750	clavicular nodes	64
1745	isolated, firm, mobile submental nodes	65
1751	firm, mobile inguinal nodes	66
1707	shotty axillary nodes	67
1747	lymph exam abnormal	68
1748	shotty nodes	69
1752	calcified lymph node	70
1753	enlarged (superficial) lymph node	71
