Virtual Orientation and Didactics Policy for M3/4 Students

1. Students are required to protect the time in their schedule for mandatory events such as orientation and didactics/interactive session to ensure full participation.
2. Students are required to have their cameras on during orientation and didactics/interactive sessions.
3. Students may not be driving a motor vehicle while participating in an orientation or didactics/interactive session.
4. Students need to be focused on the orientation/didactics---and exhibit professionalism at all times (e.g. students should not be working out, cooking a meal, etc.).
5. Use virtual etiquette
